

## DUAL COURSE FOR SKI and SNOWBOARD INSTRUCTORS "C"

**05. 12. – 19. 12. 2014, Tatranská Lomnica, High Tatras**

Direction to Poprad

According to the decision of the Ministry of Education of Slovak Republic Slovak Ski and Snowboard Schools Union in cooperation with accredited Slovak Ski and Snowboard Instructors Association organize certificated C course.

Dual course is the first and basic course in education-system of professionals employed in ski and snowboard schools in Slovakia and abroad. The course lasts 14 days including the final exams.

Daily programm consists of practical as well as of theoretical part. Practical part focuses on basics of the technique and of the methodics in English or German language on the slope, complementary language is Russian. The theoretical part consists of lectures in Slovak language (mountain safety, mobility, snow and avalanches science, new trends, equipment, children education, etc.) and seminars ( technique, methodics, foreign language).

During the last 2 days, the exams of the practical part (technique demonstrations, pedagogical output in foreign language) and of the theoretical part (writing exams from all the lectures) take place. Attention, to take part at the course does not mean, that the participant becomes automatically a ski instructor. It is necessary to graduate the exams successfully.

**Lecturer group consists of ski instructors A with long-lasting professional experience in Slovakia and abroad.**

The participation on the course is dependent on the minimum age of 17 years, foreign language.
